

# Unity Asset Store - License Reminder

Thank you for purchasing and using Text Animator for Unity! Can't wait to see what you will create with it <3

This is a simple reminder that while this version has been distributed in early access, it is still tied to your purchase and the Unity Asset Store Terms that you can find here: <https://unity.com/legal/as-terms> (Extension Asset).

Thank you so much and see you around!

- Febucci
